Online Training for Medical Device Professionals

Course Title:

Overview of Data Management Plan and Query Process

Product ID: 108

Level: CMDA

Duration: 25 mins

SME: Stephanie John

First Released On: 07/05/2010

Course Description:

This course provides a comprehensive and straightforward overview of the data management plan and query process. It explains the edit check process, why we use Case Report Form (CRF) instructions, and the difference between database and monitoring queries.

Watch the Course Trailer:

Learning Objectives:

Upon successfully completing this course, learners will be able to:

- Recognize the importance of issuing data management plans and the correct training methods for all relevant parties
- Understand and explain the query process
- Perform edit checks to ensure an accurate final data set and to eliminate the need for queries as much as possible
- Produce and distribute detailed instructions on how to complete CRFs
- Comprehend how database queries are generated in order to avoid the costly process of additional database queries

Who Should Enroll:

Clinical investigation administrative personnel and coordinators, clinical research associates, and professionals new to the area of clinical investigations are encouraged to enroll in this course.

Related Resources: Yes

Prerequisite Knowledge

The following series is required:

- Effective Monitoring of Medical Device Clinical Investigations (IDs 41–48, 59, 56, 50–55, 108, 96)

Price:

Premium: €55.00.- **Basic:** €74.00.-

Course Format:

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

Premium Account Holders:

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
