Online Training for Medical Device Professionals

Course Title:

CPM: The Clinical Trial master plan for Medical Devices

Product ID: 98

Level: CMDP

Duration: 50 mins

SME: Danielle Giroud

First Released On: 04/23/2010

Course Description:

You will be guided through the strategic objectives of a clinical trial master plan, how it is written and how it is to be maintained. This course also outlines the importance and subtleties of a well written clinical trial master plan, and in particular, how the master plan is used within the context of marketing and business objectives of a medical device company

Learning Objectives:

Upon completion of this course, trainees will be able to correctly and successfully:

- Define and demonstrate the basic principles and objectives of effective project management for clinical investigations
- Identify and comprehend the different milestones within a clinical investigation

Who Should Enroll:

Product managers, clinical project managers, regulatory managers or any other managerial clinical role involved in the planning of a strategic clinical evaluation program for a medical device

Related Resources: Yes

Prerequisite Knowledge

Understand the basics in good clinical practices, be familiar with clinical quality systems and have a minimum understanding of the regulatory requirements involved in conducting clinical investigations

Price:

Premium: €150.00.- **Basic:** €200.00.-

Course Format:

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

Premium Account Holders:

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
