Online Training for Medical Device Professionals

---

**Course Title:**

**CPM: Close Out and Clinical Report of a Medical Device Clinical Trial**

Product ID: 106

Level: CMDP

Duration: 30 mins

SME: Danielle Giroud

First Released On: 04/30/2010

**Course Description:**

The course handles practical project management activities for effectively closing out a clinical investigation as well as preparing, writing and finalizing the clinical report

**Learning Objectives:**

Ensure the clinical investigation closes out in a compliant and timely manner. Develop methods for continuous improvement of project management skills that ensure enhanced efficiency from one project to another and provide continuous career development

**Who Should Enroll:**

Clinical project managers, senior clinical research associates, regulatory managers or any other managerial clinical role involved in the planning and setup of a clinical investigation for a medical device

**Related Resources:** Yes

**Prerequisite Knowledge**

Have a good understanding of the flow of a clinical investigation project as explained in courses 1 through 9; this course is a logical follow up within the series of Clinical Project Management. Team building skills will be necessary to master (see other courses). Solid monitoring background will be of great benefit.

**Price:**

**Premium:** €90.00.- **Basic:** €120.00.-

**Course Format:**

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

**Premium Account Holders:**

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
