

Online Training for Medical Device Professionals

Course Title:

Directive 93/42/EEC and update 2007/47/EC: A review for clinical professionals (rev 1.2)

Product ID: 60

Level: CMDP

Duration: 60 mins

SME: Danielle Giroud

First Released On: 10/19/2009

Course Description:

This highly revealing interactive course lays out the principal sections of the Medical Device Directive 93/41/EEC and subsequent updates up to 2007/47 appropriate to clinical professionals, and offers you practical guidelines on how to safely and confidently implement the MDD requirements throughout all your clinical processes.

You will learn exactly what the directive requires in terms of clinical data as well as the specific parts of the directive clinical professionals should focus on, such as article 15 and annexes 1, 8 and 10.

Medical device professionals will particularly appreciate this course for its aspect on optimizing cross functional collaboration between regulatory, Q&A and other positions throughout an organization.

Learning Objectives:

Upon completion of this course, trainees will be able to correctly and successfully:

- Recognize the directive's requirements and definitions in terms of clinical data.
- Interpret directive requirements concerning clinical investigations
- Comprehend and define the directive's structure and overall regulatory objectives.
- Identify the necessary details clinical professionals need to know concerning Directive 93/42/EEC and subsequent updates on through 2007/47/EC.

Who Should Enroll:

Monitors, clinical project managers, clinical directors, investigators, clinical study coordinators. Any other clinical professionals wanting to learn more about the MDD 93/42/EEC and update 2007/47/EC.

Related Resources: Yes

Prerequisite Knowledge

Understand the medical device regulatory environment in general as outlined in the course 'European Union Regulatory System for Medical Devices' (ID 113).

Price:

Premium: €137.00.- **Basic:** €183.00.-

Course Format:

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

Premium Account Holders:

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
