Online Training for Medical Device Professionals

Course Title:

Device Accountability

Product ID: 50

Level: CMDA

Duration: 20 mins

SME: Danielle Giroud

First Released On: 09/30/2009

Course Description:

This course provides a view of the logistics of device accountability including shipment, ordering, use, disposition and return of investigational devices in a practical flowchart.

Learning Objectives:

Upon completion of this course, trainees will be able to correctly and successfully:

- Set up and manage a device accountability system, as well as detect non-compliance issues by establishing active verification methods and procedures.

Who Should Enroll:

Monitors, clinical project managers, investigators, study coordinators, sales and marketing professionals involved in clinical investigations and clinical professionals coming from pharmaceuticals who want to understand the differences in medical device accountability systems.

Related Resources: Yes

Prerequisite Knowledge

Learners will need to understand the basics of good clinical practices, initiation and monitoring processes.

Price:

Premium: €44.00.- **Basic:** €59.00.-

Course Format:

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

Premium Account Holders:

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
