

## Online Training for Medical Device Professionals

---

### Course Title:

## Accelerating Successful Patient Recruitment

Product ID: 119

Level: CMDA

Duration: 70 mins

SME: Mark Summers

First Released On: 06/25/2010

### Course Description:

This two-part course illustrates the benefits of an effective patient recruitment program, including how to understand, utilize, and calculate its value.

It covers the following topics:

- Designing enrollment systems suitable to specific needs
- Developing a budget and determining the return on investment
- Successful management tactics to optimize results
- The six requirements of a successful patient recruitment program
- A case study of a real medical device patient recruitment program initiative

This course was created by renowned industry expert Mark Summers.
