Online Training for Medical Device Professionals

Course Title:

IRB Review of Medical Devices

Product ID: 148

Level: CMDA

Duration: 153 mins

SME: Erica Heath

First Released On: 12/13/2010

Course Description:

In summary, an Institutional Review Board or IRB refers to a group whose function is to review research to assure the protection of the rights and welfare of human research subjects. This 6 part course offers clinical professionals a highly practical and informational look at IRBs from the historical development, structure and function to ethical standards and review of medical device research protocols and related materials.

Learning Objectives:

Upon completion of this course, trainees will be able to correctly and successfully:

- Comprehend the function and structure of an IRB
- Identify the role and responsibilities of an IRB in the review of medical device clinical studies
- Recognize the correlation between classification, market path and investigational status of a device.

Who Should Enroll:

Clinical Investigation administrative personnel, clinical investigation coordinator, clinical research associates, and any other professional starting in the area of clinical evaluation/clinical investigations

Related Resources: Yes

Prerequisite Knowledge

A good understanding of the basics of good clinical practices (ID 42) basic understanding of the medical device regulatory environment (ID43) mechanisms of the ethics committee and informed consent processes (ID 45 and ID 46).

Price:

Premium: €339.00.- **Basic:** €452.00.-

Course Format:

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

Premium Account Holders:

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
