

**Course Title:**

## The Hong Kong Regulatory System for Medical Devices

Product ID: 186

Duration: 72 mins

SME: Jeremy Yung

First Released On: 05/27/2011

**Course Description:**

This course reviews Hong Kong's background, the legislation behind their medical device regulations, special terms within their regulatory system, how to register a product in Hong Kong, and their grouping and classification system for devices.

At the end of this course, there is a complete and comprehensive demonstration of a hypothetical device undergoing Hong Kong's regulatory system.
