Online Training for Medical Device Professionals

Course Title:

German Healthcare System

Product ID: 135

Duration: 35 mins

SME: Graham Stokoe

First Released On: 10/12/2010

Course Description:

This course offers you the key facts and a general overview of the German healthcare system environment, the G-DRG system, introduction of new medical devices and Health Technology Assessment (HTA)

Learning Objectives:

Upon completion of this course, trainees will be able to correctly and successfully:

- Comprehend how the DRG system operates and its importance for medical device companies when developing a reimbursement strategy.
- Identify the various mechanisms that allow for new technologies to be funded and paid for, including NUBs and Supplementary Payments as well as other approaches that can and should be considered depending upon the type of technology in question.

Who Should Enroll:

Any medical device professional needing to understand the basic German Healthcare System.

Related Resources: Yes

Prerequisite Knowledge

Introduction to European Funding & Reimbursement Systems.

Price:

Premium: €78.00.- **Basic:** €103.00.-

Course Format:

All WMDO professional online training courses are fully interactive and contain audio, video, graphic animation, online quizzes and include all necessary course materials. Trainees receive a minimum of 60 days of unlimited access in which to complete each course depending on course length and complexity. (See individual course descriptions for details). Courses include handouts, case studies, working documents and other useful links. After successful completion of your course, you will be able to download your WMDO Certificate of Completion for your training records.

Online courses are cross-browser compatible and require internet connection (minimum 300kbs) and Adobe Flash Player installed (Free download available at: <http://www.adobe.com/products/flashplayer>).

Premium Account Holders:

Premium account holders enrolling in this course will receive complimentary email access to subject matter experts for any questions, clarifications or feedback they may have concerning this course and its contents, including free automatic course updates for 1 full year.
