

Course Title:

Negotiating EU Clinical Investigation Agreements

Product ID: 112

Level: CMDP

Duration: 40 mins

SME: Daniela Schmidt

First Released On: 05/21/2010

Course Description:

For clinical project managers, nothing says "lost time and energy" better than liaising between legal departments over investigation agreements. And just as hospitals enjoy talking with lawyers about as much as lawyers enjoy conversing with hospitals - it is imperative that clinical project managers possess a solid hand in negotiating effective clinical investigation agreements to get the job done quickly and in scope.

This richly detailed course on "Negotiating EU Clinical Investigation Agreements" will give you the recommendations, options and expert insight on how to better negotiate clinical investigation agreements by addressing the most common problematic sections of any contract.

From the basic elements of a contract including responsibilities and duties of each party, to insurances, indemnifications, publication and property rights; you'll learn the inside-out of what it takes to negotiate like a pro.
